Investor-Grade BMC

Each BMC block should align to your pitch deck. For example, Revenue Streams = Revenue Model slide.

Lean Canvas Conversion

Convert your BMC into a Lean Canvas for startup accelerators, including Problem/Solution blocks.

AI SWOT + Risk Analyzer

Upload your BMC and ask AI to identify blindspots, risks, and what investors might challenge.

Collaboration Tools

Use Airtable or Miro to share live-editable BMC with team, advisors, or investors.

12-Month Evolution Tracker

Document how your business model adapts over time for storytelling and strategic clarity.
