

# Entity Formation Guide - Premium

Category: Legal & Compliance | Access: Premium

## Includes Everything in Free + Pro, Plus:

- Investor-Ready Structuring
- International Considerations
- Legal Stack Automation

## Investor-Friendly Structure

Set up your entity for angel or venture investment: Delaware C-Corp, 83(b) elections, board formation.

## International Founders

Steps for foreign founders to form U.S. entities, apply for EIN, and open U.S. business bank accounts.

## Legal Stack Automation

Tools and workflows to auto-generate legal docs, manage cap tables, and sync entity compliance via platforms like Clerky or Stripe Atlas.

## Premium Prompts

"Build a startup legal stack with automation for formation, equity tracking, and contract management."
