

Licenses & Permits Guide - Free

Category: Legal & Compliance | Access: Free

What It Is

Licenses and permits are legal permissions your business needs to operate based on your industry, location, and activities.

Types of Licenses

- Local: Business license, zoning permits
- State: Sales tax permit, professional licenses
- Federal: For alcohol, firearms, aviation, and more

How to Find Out What You Need

1. Use your Secretary of State's website
2. Check city or county clerk's office
3. Use tools like SBA's Permit Finder or AI lookup bots

AI Prompt

"Help me find which licenses and permits I need to start a [business type] in [City, State]."
