Licenses & Permits Guide - Premium

Category: Legal & Compliance | Access: Premium

Includes Everything in Free + Pro, Plus:

- Licensing Automation Stack

- Multistate + Multijurisdiction Guide

- Permit Workflow Dashboards

AI-Powered Compliance Stack

Use Zapier + ChatGPT to scan for expiring licenses, fill in renewal forms, or flag mismatches.

Multistate Business Compliance

How to manage licenses across states (esp. for remote workers or drop shipping). Includes contractor license rules.

Permit Dashboard (Airtable/Monday)

Centralized dashboard to track all permits, renewal status, documents, and alerts.

Premium Prompts

"Build an Airtable tracker for all permits and alert me 30 days before renewal."
